NASA Multiple Award Construction Contracts (MACCs) Webinar

Housekeeping

- If you have any questions during the presentation, please enter them into the Q&A Box.
 - **NOTE:** If possible, include the speaker to whom your question is directed if multiple speakers are presenting.
- Other comments, like technical difficulties, please input them in the Chat Box.
- We will have a formal Q&A after the final presenter concludes, using questions from the Q&A Box.
- Please keep your computer on mute when not speaking.
- The presentation WILL be recorded. Attendees will receive an email once those materials are made available online.
- Please fill out the survey sent at the end of the presentation.

Webex Closed Captioning is Available!

The screenshot shows a Webex meeting window. The main video area displays the NASA logo. On the right side, there is a sidebar with three panels: 'Participants (1)', 'Chat', and 'Captions'. The 'Captions' panel is expanded and highlighted with a red box, showing a 'Captions' button and a green signature. At the bottom of the window, there is a toolbar with various controls. A red box highlights the 'CC' icon on the left and a three-dot menu icon on the right, both labeled with red numbers 1 and 2 respectively.

About the NASA Office of Small Business Programs

The NASA Office of Small Business Programs (OSBP) is located at Headquarters in Washington, D.C. and is under the leadership of Associate Administrator Glenn A. Delgado.

The mission of the NASA Office of Small Business Programs is to promote and integrate small businesses into the industrial base of contractors and subcontractors that support the future of space exploration, scientific discovery, and aeronautics research.

The NASA OSBP webinar series offers in-depth training relevant to small businesses; and provide the opportunity to ask questions directly to key points of contacts at the Agency.

Construction Product Service Line (PSL) Overview

Construction PSL Requirements

- Procurement Portfolio Manager: Dan Walt
- Enterprise Requirements Manager: Dan Hull
- Procurement Officers: Kurt Straub (GRC), Gerald Norris (SSC), and Jim Eastman (AFRC)

- ❖ **Core Requirements:** General construction, alteration, modification, maintenance and repair, demolition, design-build, Leadership in Energy and Environmental Design (LEED), Building Information Modelling (BIM), and new construction of buildings, facilities, and real property.
- ❖ **Current/Long Term Strategy:**
 - GRC, SSC and AFRC are the buying locations for the regionalized Multiple Award Construction Award Contracts (MACCs) for construction over \$1 million and repairs totaling more than \$10 million.
 - Individual Center Offices of Procurement are the buying location for these services totaling below the above dollar figures, as well as orders against the regionalized MACCs.

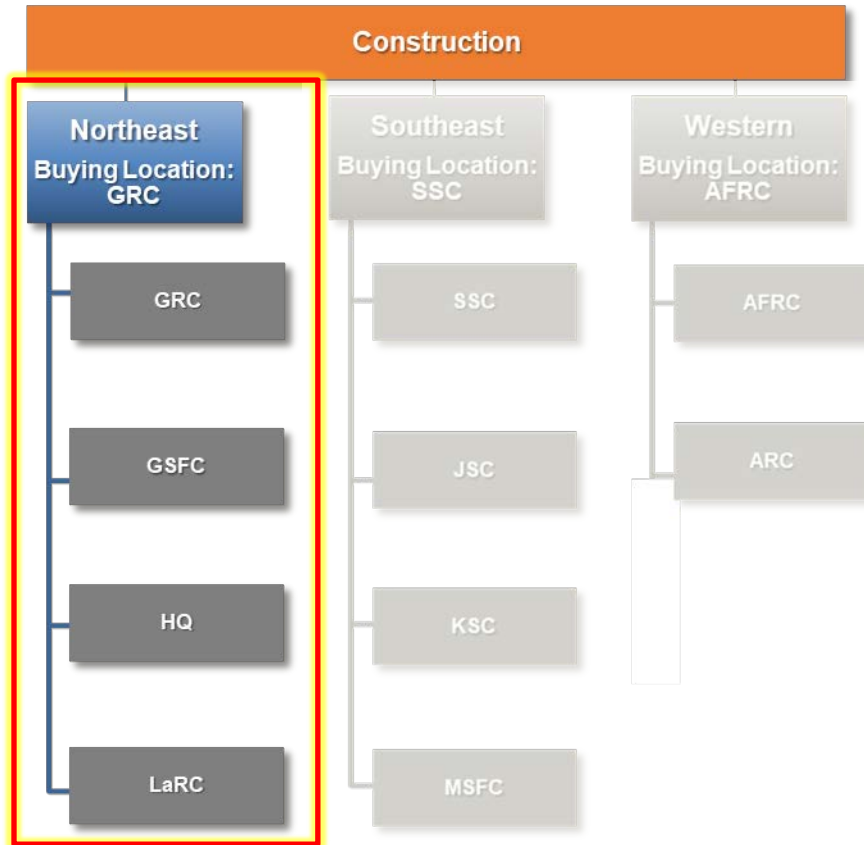

Upcoming Actions:

- ❖ **GRC** – Northeast Regional Multiple Award Construction Contract (MACC) expires April 2025
- ❖ **SSC** – Southeast Regional MACC awarded November 2017; Expires October 2025
- ❖ **AFRC** – Western Regional MACC awarded April 2019; Expires March 2024

Mr. Richard Amiot

Northeast Region
Glenn Research Center

Northeast Region - GMACC-2

80GRC019R0007
Solicitation Date May 2019
Award 04/01/2020
Last Date to Order 03/31/2025
Anticipated Composite Value \$250M
Current Award Amount \$34.5M

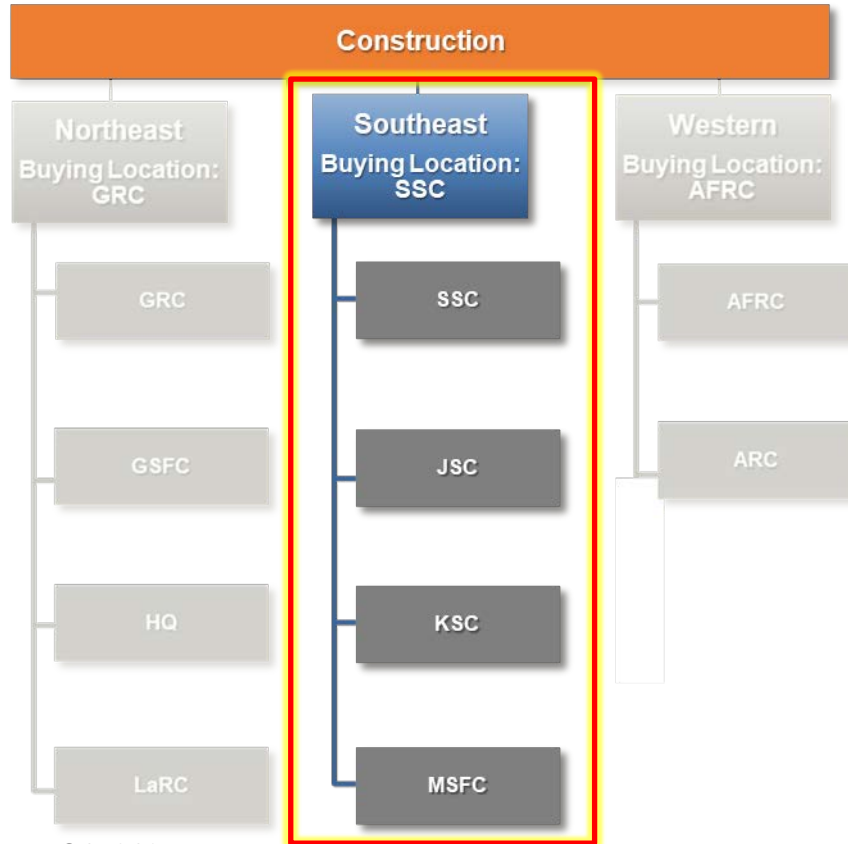

EXPLORE
PROCUREMENT

- Supports the Construction of Facilities (CoF) program and Non-CoF funded construction at both (GRC) Lewis Field in Cleveland, OH and (GRC) ARC Test Facility in Sandusky, Ohio. GSFC in Greenbelt, MD and HQ in Washington, DC; Wallops Flight Facility, Wallops Island, VA; LaRC and the NASA Engineering Safety Center, both near Hampton, VA.
- NASA facilities falling within the Northeast Region but may/may not be within the scope of the Eastern Regional MACCs include Katherine Johnson Independent Verification and Validation Facility (IV&V), (Fairmont, WV); and Goddard Institute for Space Studies (GISS) (at Columbia University, NYC).
- General construction tasks will include efforts from the following areas: architectural, civil, structural, mechanical, plumbing, HVAC, electrical, instrumentation and controls, demolition, and design build.
- Best Value Evaluation Criteria. Firm-Fixed-Price Task Orders.
- Administration by issuing Center

Mr. Travis Sippel

Southeast Region
Stennis Space Center

Southeast Region - MACC-2

NNS17612547R
Award 10/24/2017
Last Date to Order 10/23/2025
(24) Total Contractors
Indefinite Delivery Indefinite Quantity
Anticipated Composite Value \$3 Billion
Current Award Amount \$305M

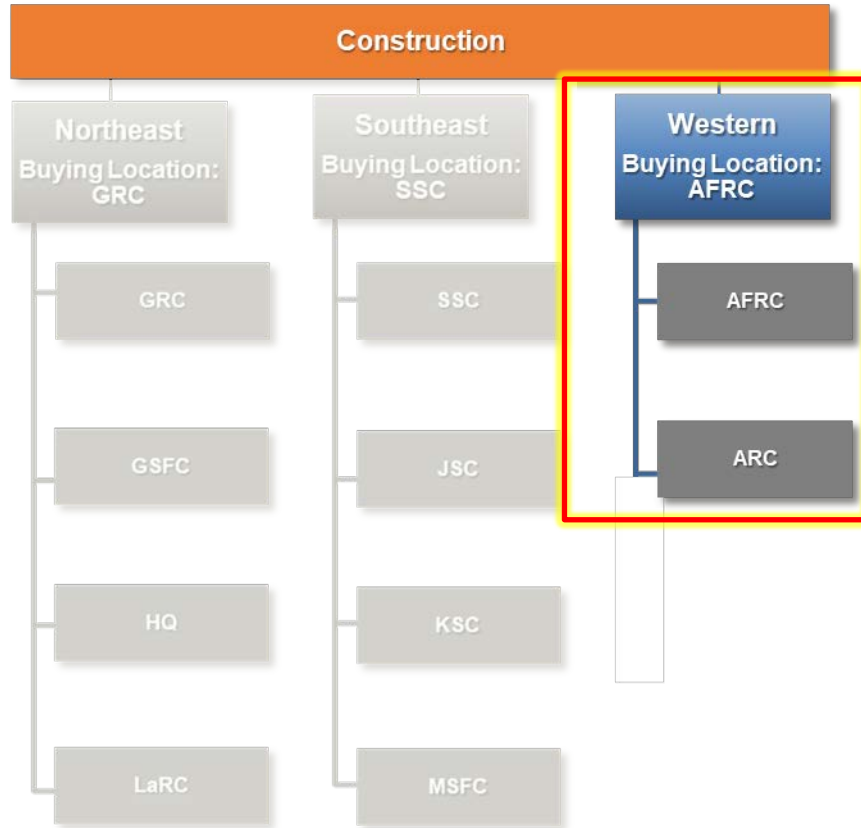

EXPLORE
PROCUREMENT

- The MACC-II provides a critical in-place contractual mechanism through a regionalized Multiple Award, Indefinite Delivery, Indefinite Quantity (IDIQ) Contract to support general construction, alteration, modification, maintenance and repair, demolition, design-build, and new construction of buildings, facilities, and real property at John C. Stennis Space Center (SSC), Johnson Space Center (JSC) including White Sands Test Facility (WSTF), Kennedy Space Center (KSC), and Marshall Space Flight Center (MSFC) including Michoud Assembly Facility (MAF).
- NASA facilities falling within the Southeast Region, may/may not be within the scope of the Southeast Region MACCs include Columbia Scientific Balloon Facility, Palestine, TX; and Deep Space Network Madrid, Spain.
- MACC-II will also support emergency response to natural disasters and emergencies. Other NASA Centers and Federal Tenants at NASA facilities may utilize MACC-II with SSC Procurement Officer Approval.
- The MACC-II is intended to provide a highly flexible construction contracting vehicle for participating Centers.
- There is no yearly or per contractor limit except for the eight-year maximum; this will allow all contractors to be available for competition of future task orders until the cumulative ceiling is reached.
- Task Orders will be firm fixed priced.

Anticipated Composite Value \$300 Million
Current Award Amount \$50.3M

EXPLORE
PROCUREMENT

- Support both Construction (Bid/Build) and Design/Build Services at Ames Research Center (ARC) including the adjacent Moffett Federal Airfield (MFA), Armstrong Flight Research Center (AFRC) including Los Angeles World Airport (LAWA) Building 703 in Palmdale, CA, Jet Propulsion Laboratory (JPL) including the Goldstone Deep Space Network (DSN) in Fort Irwin, CA, and Santa Susana Field Laboratory (SSFL) in Simi Valley, CA.
- NASA facilities falling within the Western Region but may/may not be within the scope of the Western Region MACCs include Near Earth Network Alaska Satellite Facility, and Poker Flat Research Range (both near Fairbanks, AK); Deep Space Network, Goldstone, CA; Deep Space Network, Guam; Deep Space Network Canberra, Australia; NASA Infrared Telescope Facility, University of Hawaii.
- Work under the MACC shall be performed in the general construction category which may include, but is not limited to, maintenance, repair, painting, alteration, architectural, mechanical, electrical, plumbing, heating/air conditioning, civil, earthwork, fencing, structural, steel fabrication and or welding, roofing, building renovations, new building construction, demolition, United States Green Building Council (USGBC) Leadership in Energy and Environmental Design (LEED) projects, and design/build projects. Work may also include design/build projects as well as new construction of buildings or facilities to include some or all of the above elements of work.

MACC Vendor Overview

CONSTRUCTION GROUP, INC.

“Excellence Through Teamwork”

Mission Statement

- E.L.C.I. Construction Group, Inc. is a national contracting company based in North Miami, Florida.
- At E.L.C.I. we have established and continue to maintain our name through the quality of our work, getting the job done on time, and our competitive pricing.

Core Values

- Excellence – In our performance
- Leadership – Leaders in our industry
- Collaboration – Teaming environment
- Integrity – Stand behind our work

About Us

- A Small Family Business Established in 2001
 - Our Services include:
 - Design/Build, General Contractor, Construction Management, Consulting, Project Management SCIF Construction, and LEED ® Building
 - Self Performing: Concrete, Masonry, and Finishes

Past Performance

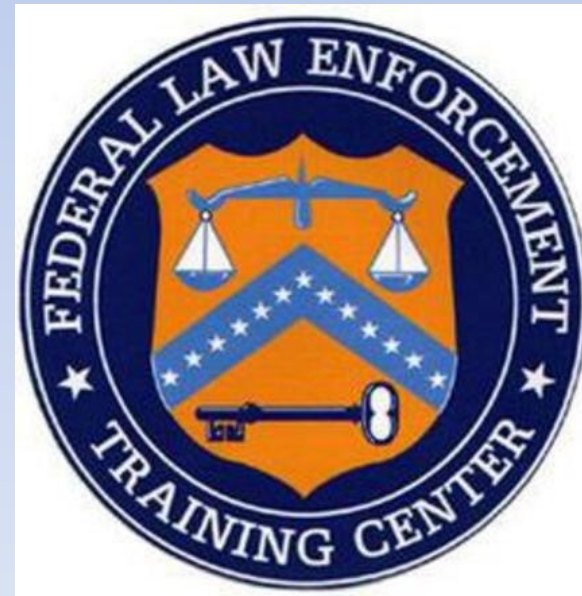

Projects Completed

- **U.S. General Services Administration GS-04P-16-EX-C-7060 & 47PE0718C0005**
- **Courtroom Acoustical Enhancements Project Phase 1 & 2**
- **Contract Amount \$609,300.00 & \$812,400.00**
- **Bryan Pyle, 954-356-7783**
- **Miami, FL**
- **Completion Date 09/2019**

Projects Completed

- **Department of Homeland Security 70LGLY18BSSB0001**
- **Federal Law Enforcement Training Center Dormitory Repairs**
- **Contract Amount \$4,214,651.05**
- **Glynco, GA**
- **Completion Date 09/2019**

Projects Completed

- **Department of the Navy - NAVFAC Washington N40080-16-R-2007**
- **IDIQ for Renovations/Reconfigurations**
- **Contract Amount \$4,000,000.00, Multiple Task Orders Ranging from \$30,000 - \$750,000.**
- **Washington, DC**
- **Completion Date 9/2019**
- **Misc. Flooring, SCIF Walls & Door, Exterior Door Installation, EIFS Repairs, Design/Build Navy Band Room, General's Quarters Kitchen & Bathrooms Renovations, Labs Design/Build Offices & Restrooms Renovation Emergency Repairs, Wall Monitor Installation, Electrical & HVAC Renovation, Floor Corridors Installation, Temporary Chiller, & Lead Paint Remediation and New Paint to Historical Building**

Projects Completed

- **U.S. General Services Administration 47PM0419C0008**
- **ATF Headquarters CIMST Supplemental Cooling Design/Build**
- **Contract Amount \$308,454.00**
- **Matthew Walker, 202-705-7215**
- **Washington, D.C.**
- **Completion Date 8/2019**

Projects Completed

Company Background

- ❑ Founded in 2003
- ❑ General Construction
 - ❑ ImbuTec-Higley JV, LLC
- ❑ Electrical Construction
- ❑ Construction Management
- ❑ Electrical Service/Facilities Maintenance Support

Company Philosophy

- ❑ "Earn the Right to Do More Business"
- ❑ Be a Good Partner; Always Look Out for the Customer
- ❑ Safety as a Market Differentiator

NASA MACC Process

- ❑ Lessons Learned from Debrief of Prior Unsuccessful Pursuit
- ❑ Use the Forecast to Target Opportunities That Align With Your Capabilities
- ❑ NASA's Small Business Specialists Are Key Point of Contact
 - ❑ Don't Waste Their Time- Do Your Homework First
 - ❑ Know What You Want To Sell, and Know When and How NASA is Buying It
- ❑ Take Advantage of Industry Days & Other Networking Opportunities
- ❑ Read RFP Closely & Follow The Directions

Subcontracting Opportunities

- ❑ We Self-Perform Electrical
- ❑ Looking for Subs with NASA and Other Federal Experience
- ❑ Looking for All Construction Trades and Disciplines Besides Electrical

NASA MACC II Prime Contractor

Safety, Quality, and Value Built in Every Project

SES Construction and Fuel Services LLC

NASA MACCs Webinar Small Business Virtual Showcase

Presented by:

Dennis Bowers, Program Manager
SES Construction and Fuel Services LLC

May 11, 2022

SES
Construction and
Fuel Services LLC
A member of the SES Group of Companies LLC

Company Overview

-
- Small Business based in Oak Ridge, Tennessee with presence on the Space Coast
 - In business in present form since 2009; graduated 8(a) program in 2015 — *a successful and fast-growing company*
 - A Prime Contractor on multiple ID/IQ contracts (USACE and NASA)
 - Member of SES Group of Companies — 14 companies with capabilities in general construction, civil, environmental services, fuel services, and energy infrastructure

Applying for the MACC

-
- Establish a dedicated/experienced group to work the solicitation
 - As for any proposal response, follow all instructions *exactly* and clearly respond with what is required, in the order specified
 - Stress EMR/safety records and exemplary CPARS
 - Engage with local subcontractors

Under the MACC II

SES
Construction and
Fuel Services LLC

Replace MRL Shelter Bldg. Y-039 at Wallops Island Flight Facility

- Entire existing rolling structure facility at the Pad 2 Launch Complex was replaced with a new structure
- Included installation of new HVAC equipment and installation of a new LPS

Under the MACC II

SES
Construction and
Fuel Services LLC

Building Repairs at the BFF & the Engineering and Administration Building at KSC

- Replaced roof and rooftop HVAC equipment
- Multi-phased (30) schedule implemented to limit the impact of construction to the facility operations

Other Work Performed for NASA

Chilled Water Systems Repair at the PHSF at KSC & Hangar AE at CCAFS

- D-B replacement of HVAC systems at both facilities
- Contract modifications added work to 5 additional facilities
- Scope grew from \$4.8M to \$9.8M, Aug. 2017 – Sep. 2020

A standalone contract performed by SES Civil and Environmental LLC, a member of the SES Group of Companies.

Other Work Performed for NASA

Chiller Upgrade at the BFF at KSC

- Replacement of 3 x 600-ton chillers and infrastructure
- Ensured mission continuity using complex 8-phase process during construction

A standalone contract performed by SES Civil and Environmental LLC, a member of the SES Group of Companies.

Subcontracting Opportunities

-
- Requirements—excellent safety and quality records
 - How to apply
 - [Vendor Portal | SES Group of Companies \(ses-grp.com\)](https://ses-grp.com)
 - POC—Denny Bowers dbowers@ses-grp.com

SES Construction and Fuel Services LLC

A member of the SES Group of Companies LLC

Thank You!

OFFICE OF SMALL BUSINESS PROGRAMS
...where small business makes a **BIG** difference

Enables the Agency's mission and execute contracts in support of programmatic, institutional, and operational needs

OP Vision Statement: Acquisition Excellence in an Evolving Environment

OP Enterprise

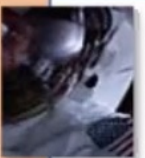

Headquarters OP

Provides stewardship of acquisition process to support successful accomplishment of mission objectives. Provide policy, oversight, optimization of procurement resources, and support Mission Directorate Acquisition Strategy Development to enable more efficient operations for NASA.

Information Technology (IT) Procurement Office

Developed as a part of NASA's transformation to enable the Agency to leverage best practices related to IT, create standardization, and maintain pace with the constant change amongst the IT industry.

NASA Office of JPL Management and Oversight

NOJMO ensures proper coordination of all the required operational functions associated with the management of the FFRDC, the JPL contract, and is the focal point for communication with upper management at the JPL and actively represents NASA in local outreach and educational events.

NASA Shared Services Center

Supports NASA's overall mission by providing core procurement services across the Agency; award /administration of grants and cooperative agreements; research & development contracts; complex, large dollar service contracts; and commercial item acquisitions.

Research Centers

Ames Research Center

Specializes in research geared toward gaining new knowledge and creating new technologies that span the spectrum of NASA interests.

Armstrong Flight Research Center

As the lead Center for flight research, Armstrong continues to innovate in aeronautics and space technology. The newest, the fastest, the highest—all have made their debut in the vast, clear desert skies over Armstrong.

Glenn Research Center

Glenn develops and transfers critical technologies through research, technology development, and systems development for safe and reliable aeronautics, aerospace, and space applications.

Langley Research Center

Langley continues to forge new frontiers in aviation and space research for aerospace, atmospheric sciences, and technology commercialization to improve the way the world lives.

Space and Space Flight Centers

Goddard Space Flight Center

Goddard's mission is to expand knowledge about Earth and its environment, the solar system, and the universe through observations from space.

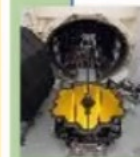

Marshall Space Flight Center

Marshall is the world's leader in the access to space and the use of space for research and development to benefit humanity.

Kennedy Space Center

Kennedy is "America's Gateway to the Universe"—leading the world in preparing and launching missions around Earth and beyond.

Johnson Space Center

Leads NASA's efforts in human space exploration, from the early Gemini, Apollo, Skylab and space shuttle programs to today's International Space Station and Orion programs.

Stennis Space Center

Stennis is responsible for NASA's rocket propulsion testing and for partnering with industry to develop and implement remote-sensing technology.

The Small Business GUIDE to NASA

Small Business Guide to NASA

ACTIVE CONTRACT LISTINGS (ACLs)

→ [NASA Employees Click Here](#) → [Vendors Click Here](#)

Active Contract Lists (ACLs) record NASA recurring acquisitions. ACLs are grouped based on NAICS codes and are categorized as follows:

- Accounting Financial Business Services
- Facilities Maintenance
- Administrative Services
- IT
- Environmental Services and Remediation
- Multiple Award Construction
- Occupational Health
- Protective Services

Sample Active Contract Listing

Center Acronym

Indicates the center(s) or location(s) of the work to be performed, or where the requirement exists. The location of the contracting center may or may not be the same as the location of the work/requirement.

Center	NAICS	Contract Name	Contractor Name Contract #	Type of Competition	Potential Value	Ultimate Contract End Date
AFRC	561210	Facilities Operations and Maintenance Services	Helix Management Services, LLC NND13AD53C	8(a) Competitive	\$44.9 M	5/31/2021 Last Date to Order
ARC	561210	Safety and Mission Assurance	Bastion Technologies, Inc. 80ARC020D0012	Full & Open	\$66.6 M	10/31/2024 Last Date to Order
GRC	561720	Janitorial Services	Creative Management Technology 80GRC020C0007	SB Set-Aside	\$15.4 M	7/31/2025
KSC	561210	Base Operations and Spaceport Services (BOSS)	PAE-SGT Partners, Inc. 80KSC018C0017	Full & Open	\$609 M	3/21/2023
KSC	561730	Grounds and Landscaping Maintenance and Pest Contract II	S.C. Jones Services, Inc. 80KSC019C0020	HUBZone Set-Aside	\$10.9 M	9/30/2023

NASA ACQUISITION FORECAST

<https://www.hq.nasa.gov/office/procurement/forecast/>

The NASA Acquisition Forecast is a consolidated Agency-wide forecast provided to allow users to search multiple NASA Centers for procurement opportunities.

Expiration Date (or "last date to order" for indefinite-delivery contracts)

This allows for long-term tracking of recurring requirements, as well as for the long-term planning time normally required in pursuing the contracts.

<https://www.nasa.gov/osbp/active-contract-listings>

NASA Vendor Database

- The NASA Vendor Database (NVDB) is open to all vendors, both large and small, who wish to do business with the National Aeronautics and Space Administration.
 - Build a company profile
 - Conduct vendor search
 - Increase company visibility at NASA!
- For more information, visit:
<https://www.nasa.gov/osbp/nasa-vendor-database>

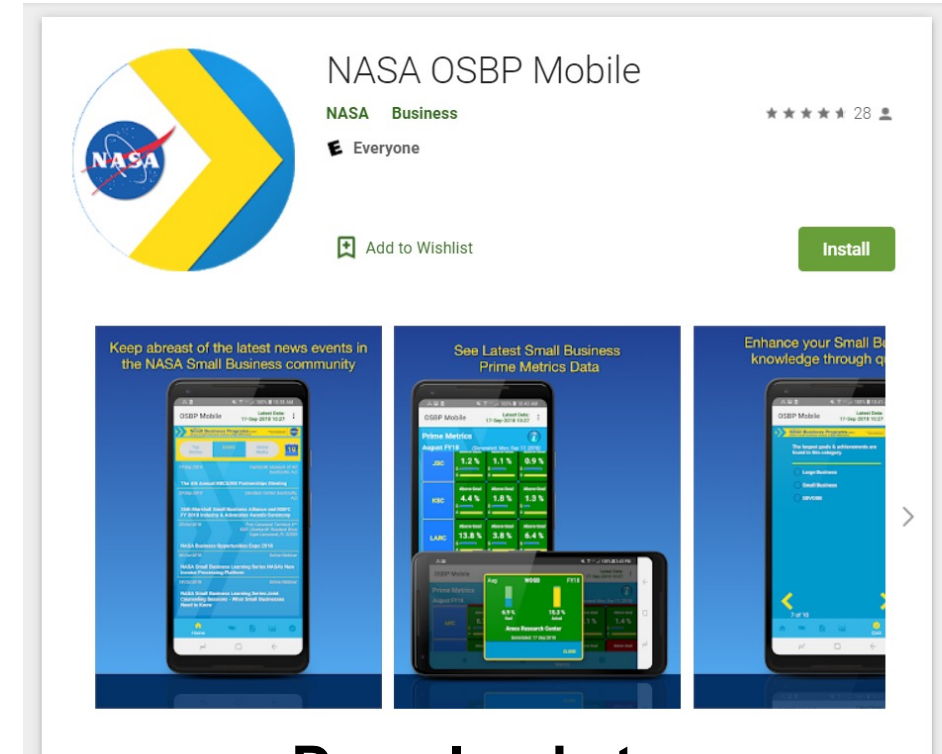

OSBP Mobile App

Are you a small business looking to make a big difference? Whether you own an engineering company, develop new telemetry software algorithms, or provide Information Technology services, the NASA Office of Small Business Programs (OSBP) can help you make that difference at the Agency by providing the necessary tools right at your fingertips.

- OSBP Mobile is designed to help:
 - Provide active contract listings and requests for proposals
 - Network with Small Business Specialists at each NASA Center
 - Explore the latest Agency prime metrics data
 - Inform you of the latest small business news and events

Come make a BIG difference at NASA!
